To whom it may concern:

As the News Director for NBC Newschannel 6, I would like to highly recommend Levi Christiansen for the position he is applying for with your company. Levi worked as a Production Assistant for my department and was an effective and efficient member of our staff. He was very reliable and was able to handle multiple tasks well in very high stress and often chaotic situations. Levi learned quickly and was able to teach others. He is also one of the easiest people to work with.

If you would like to talk further or need other information, please do not hesitate to contact me at the address or phone number below.

Thank you,
